Join Our Photoshop Community

Need some answers fast? Join our Discord group to talk to Chris Barin and other students.

Here is the link: https://discord.gg/Xf6NGMx

If you've never used Discord, it's basically a chat program that you can use on your computer or mobile devices. It's **totally free** and it's text based. I'll see you there! Please watch this video so you know how to use it: https://youtu.be/iqusI1NStB4

The same video is available in the channel Read-First. Please watch it and accept the rules.
